**Be the Neighbor Your Neighbors Can't Live Without**

By day, Hopewell Valley's volunteer firefighters and emergency medical technicians teach children, beautify green spaces, and make scientific discoveries. They're just like other caring, community-oriented Valley neighbors – until their pagers go off. That's when their role as volunteer firefighters and EMTs begins.

Training, instinct and adrenaline provide the skill and guts to do whatever that day's emergency requires. Hopewell Valley firefighters' and EMTs' dedication to this community and its residents are so strong, they give their time, and even risk their lives, to keep our valley safe.

You could be one of them. In fact, you're needed right now.

Be the neighbor your neighbors can't live without. **Volunteer today.**
