

REDISCOVER COATESVILLE

Chartering bigger, better opportunities within CASD

2018 CHARTER SCHOOL SUMMIT

APRIL 7, 2018

10 A.M. TO 2 P.M.

COATESVILLE AREA SENIOR HIGH SCHOOL

1445 LINCOLN HWY, COATESVILLE, PA 19320

If you've ever thought about transitioning out of a charter or faith-based school, but you wondered if the Coatesville Area School District was the best fit for your student, join us! We invite you to the 2018 Charter School Summit. The program will showcase the wonderful educational opportunities offered here in the Coatesville Area School District, and provide an interactive experience for all those who attend.

JROTC: Join our JROTC and view a marching exercises display and posting of the colors. Participants will also learn basic marching techniques used in the military.

WOODSHOP: Construct a birdhouse in our state-of-the-art wood technology shop. Participants will be able to take the bird house home at the end of the session.

ELEMENTARY CLUBS: Join our elementary team to learn about elementary clubs and activities. Participants in this session will plant a salsa garden and make their own salsa.

NATIONAL HONOR SOCIETY AND NATIONAL JUNIOR HONOR SOCIETY: Interact with student leaders and demonstrate community service by creating dog toys.

THEATER: Get a sneak peak of the upcoming musical, ask questions of our thespians and participate in improv activities.

WEIGHT ROOM: Get a workout plan from our physical education teachers and experience the advanced weight training class.

FOOTBALL CLINIC: Participate in an hour-long clinic run by our football players and coaches.

Visit the **PTO** and **Booster Club** tables, talk to our athletes and catch a demonstration from robotics students. Learn about the **computer science program**. Find out about **dual credit opportunities**. Catch performances from our **music department**. Learn about our **Army Educational Outreach Program** partnership including **demonstrations of solar cars** and **e-Cyber mission projects** and much more!

Translators will be available throughout the day. Childcare will be provided for children ages two to five.

Registration information for breakout sessions and other program details available here:
