## WILLOW GROVE VETERANS MEMORIAL PARK

A community tribute to honor those who have served and are serving our country

**"Freedom isn't free."**  
— Anonymous

Freedom has been made possible by the men and women who serve, and continue to serve, our country. These men and women have paid the price by sacrificing their lives, physical and emotional health, family relationships and more. Their personal sacrifices are astounding; our debt to the heroes who live among us in this community is deep.

We invite you to honor those who have given so much to protect us.

*For those who have answered the call of service to our country...thank you.*

*For those who served the country on and off the battlefield...thank you.*

*For the protectors of liberty...thank you.*

**WILLOW GROVE VETERANS MEMORIAL PARK** was established to pay tribute to those who selflessly serve, and have served, our nation. It is a focal point for showing appreciation to all veterans and active service personnel who have roots in the community.

Initial improvements have been implemented, but there is still much to do in order to create a community centerpiece.

You can show your appreciation to area veterans by contributing to the Veterans Memorial Park. Please consider:

- Thanking veterans for their service through the purchase of an engraved brick that will be placed in the walkway.
- A Corporate Sponsorship with an inscribed block to surround the memorial.
- Making a general donation to be applied to the construction of the park.

## A COMMUNITY MEMORIAL TO HONOR THOSE WHO HAVE SERVED

### WILLOW GROVE VETERANS MEMORIAL PARK

The centerpiece of the proposed Veterans Memorial Park Site is a Bell Model 205 UH-1D Series Iroquois "Huey" Helicopter, which will be mounted on a 15 foot curved support arm with a permanent veteran's monument at the base. The base display around the oval shaped monument will consist of engraved brick, sponsor recognition and a brick labyrinth surrounding a round bench where visitors can sit and reflect. A sculptured wall dressed in a granite overlay will beckon visitors to congregate and ponder the full lifecycle from childhood to adulthood. A small white dove will symbolize peace.

Accenting the elevated helicopter will be beautiful shade trees, shrubs, service emblems, engraved plaques, flags and more. The memorial will have a deep impact on our community and will stand as a lasting tribute to past, present and future veterans.
