WHO WE ARE

Prepared for *everything*, Brookhaven Fire Company volunteers keep our friends and neighbors calm amid the chaos of emergency scenes. Our highly-trained volunteers have protected the borough of Brookhaven and surrounding Delaware County communities since 1922.

GIVE BACK: FIND YOUR ROLE

- **FIREFIGHTER** - Perform all functions related to fire suppression and rescue operations, including interior fire suppression, car accidents, hazmat incidents and more.
- **EXTERIOR FIREFIGHTER** - Assist outdoors by establishing a water supply, setting up fire ground operations, stretching hose lines and general ground support.
- **CONTRIBUTING MEMBER** - Help the fire company out by assisting with fundraising and community events.

“Never look back.
It’s the greatest
feeling in the
world to serve
your community.”

– JJ Bonsall, Firefighter
